

1. General

- 1.1 Only ornamental products may be shown.
- 1.2 Registration for participation in the trade fair shall be effected by means of a registration form supplied to the prospective participant. All visibly present companies are considered participants.
- 1.2.1 The participant may not withdraw or modify his/her registration unilaterally. If a participant wishes to withdraw a registration that he/she has already submitted, a written request to this effect shall be forwarded by registered mail to the organizers. The organizers may consent to such a withdrawal request under the conditions to be set to such an effect in which the participant requesting cancellation of his/her registration will be liable to pay a cancellation fee.
This fee is equal to:
25% of the stand rental: when withdrawing the registration after the advance billing note has been forwarded;
100% of the stand rental: when withdrawing the registration after the layout of the trade fair exhibition is complete (24 May 2019).
The participant shall also be liable to pay the VAT that is applicable to the cancellation fee. The stand rental shall be calculated by the number of square meters of stand for which the participant has submitted his/her registration, or the number of square meters of stand allocated.
- 1.2.2 On signing the registration form, the participant agrees to comply with the conditions contained in the regulations and in the supplementary conditions to the regulations.
- 1.2.3 Upon signing the registration form you acknowledge that you have read the privacy statement as stated on the Plantarium.nl website.
- 1.3 The participant is liable to pay the fee indicated in the supplementary conditions to the regulations for every square metre that he/she has registered or which has been allocated. In the calculation of the stand area, any part of a square metre will be considered to be one square meter.
- 1.3.1 The payment of the stand rental shall be effected in two parts, viz.:
Part 1: 25% for the number of square meter for which the participant has registered within 30 days of the date of the advance billing note.
Part 2: The remainder within 30 days after the date of the definitive allocation billing note. If the definitive billing note is dated less than 30 days before the first day on which the trade fair is to be set up, the outstanding rental fee shall be paid by return and be received by the organizers no later than one week before the first day on which the trade fair is to be set up. If a participant has not paid the fees for which he or she is liable within the periods allocated, the organizers retain the right not to allocate the stand to the participant, to rescind any previous allocation of a stand, or not to allocate any stand without prejudice to the right of the organizers to the full remuneration of said fees.
- 1.3.2 The cost of stand construction and arrangement, of installing an electrical supply to the stand, the connection of a telephone, the use of electricity, and the costs of telephone calls costs of waste processing, damage etc. and all other additional costs shall be met by the participant. These costs which will be included in a deposit shall be met by the participant within 30 days after the said costs have been charged to the participant.
- 1.4 The Nursery Trade Fair Foundation cannot in any way be held liable for the theft, loss or damage of or to articles or goods that have been brought to the trade fair by or on behalf of the participant. The foundation is furthermore not liable for any damage that may result if, owing to some disaster, through no fault of the organization, the fair has to be partly or entirely cancelled.
- 1.5 The Nursery Trade Fair Foundation Board of Management retains the right to increase or decrease the requested stand area by no more than 10%. The rental fee will be adjusted accordingly.
- 1.6 The Board of Management retains the right not to accept a prospective registration without any further indication of its reasons for doing so.
- 1.7 All activities on the stand that are not connected with horticulture are forbidden.
- 1.8 In any circumstance not accounted for in the regulations, the decision of the Nursery Trade Fair Foundation Board of Management is binding.

2. Displaying products

- 2.1 The participants shall observe the instructions issued by the Board of Management and those persons acting on behalf of the Board of Management.
- 2.2 All displays are subject to the approval of the chief arranger and to the responsibility of the Fair Manager. Further regulations will be established for each trade fair (please refer to the Supplementary Conditions to the Regulations for the Plantarium Nursery Trade Fair).
- 2.3 No other implements may be used than those designated by the Board of Management.

3. Arrangement/unkeep of the stand area

- 3.1 Round tables and terrace chairs will be put at the participants' disposal. The organizers should be informed of the required numbers of tables and chairs.
- 3.2 Electrical appliances, such as refrigerators, coffee machines, video- and film equipment with a maximum size of a p.c. screen, may be used provided they are noiseless. The caterer is exclusively authorized to use beverage draught systems and food and drink. Electricity and extra lighting are available on request at cost price.
- 3.4 All the pots and containers on display must appear clean and carefully tended.
- 3.5 Products cultivated in the soil may be displayed with their ball of soil or with their bare roots. When displaying products with their bare roots, it is advised to remove the leaves. Products cultivated in the soil and displayed with their ball of soil must be exhibited in such a way that the ball of soil remains visible.
- 3.6 The participants are responsible for watering their own products.
- 3.7 During construction of the trade fair, the trade fair's actual duration and during the dismantling stage, participants are responsible for the removal and disposal of their own rubbish and refuse or to have this carried out at cost price.
